

CloudLab Customer Conference

Administration Area

Topic: PSD Layers

Chris Sanders

PSD Layers

Table of Contents

1. Where are PSD layers used?
2. Which layers are there?
3. How do I create these layers?
4. What needs to be considered with the layers?
5. How do I proceed with the PSD file?

Where are PSD layers used?

1. Live Preview
2. All editors
3. Detailed preview of the product

Thank you for your attention.

Questions and suggestions are welcome.
